

COVID 19 CAUTIONS AND GUIDELINES

NEW LOOKS BARBER CLUB OPEN 4TH JULY

SAME GREAT TEAM BUT SOME CHANGES

We are taking extreme caution by working by appointment only we may be able to offer a small number of walk in if available, disposable gloves and sanitizing between clients, social distancing (when not directly servicing a client), and more.

NEW LOOKS BARBER CLUB and the New Normal for the foreseeable future.

AT NEW LOOKS BARBER CLUB , WE TAKE THE SAFETY AND HEALTH OF OUR STAFF AND CLIENTS VERY SERIOUSLY. DURING THESE UNPRECEDENTED TIMES, WE'LL BE MODIFYING "BUSINESS AS USUAL," AND WE WILL BE ASKING OUR STAFF AND CUSTOMERS TO TAKE ADDITIONAL STEPS TO ENSURE WE ARE IN COMPLIANCE WITH STATE GUIDELINES FOR RE-OPENING AND OPERATING AS SAFELY AS POSSIBLE.

Appointments only with a potential for walk in if there is availability. For the time being, we will be working by limiting numbers and appointments mainly to help us better manage traffic and control the number of people in our shops. If we have availability we may offer walk in but don't be disappointed if we are unable to provide our services to you.

PLEASE NOTE: BECAUSE ADDITIONAL TIME MAY BE REQUIRED TO SANITIZE TOOLS AND STATIONS BETWEEN EACH CUSTOMER, APPOINTMENT TIMES MAY RUN A BIT LATE, SO WE ASK THAT CLIENTS ALLOW EXTRA TIME SHOULD IT BE NECESSARY.

No Additional Guests. For the time being, we ask that customers come alone and arrive no more than 5 minutes before their appointment time. This ensures we will never have more than the allowed

number of guests in the shop at the same time.

Shampoo Before You Arrive. To ensure we're working on the cleanest hair possible, we ask that all clients arrive freshly shampooed.

Masks. All barbers will be required (per state law) to wear masks while serving clients. All our barbers will be wearing a protection clear visor during their working patterns.

Barber Capes. We'll only use a freshly laundered barber cape on each client, or disposable capes when available. We will alternate these capes between each use and spray with anti back spray safe mist.

Neck Strips. Neck Strips will be used to keep capes from coming in contact with the client's skin.

Social Distancing. Our waiting areas will be reconfigured to maintain social distancing while clients are waiting for service. We need our customers to use their initiatives and try and remain 1m apart where possible please.

Hand Washing. All barbers will be required to wash their hands between each customer for a minimum of 20 seconds in warm, soapy water.

Disinfection. All tools will be properly disinfected between clients using solutions recommended by the state board of barbers. All barber chairs will be mist sprayed with spray safe mist.

Hand Sanitizer. Hand sanitizer will be made available to all customers and staff at all times. Please use these.
